

HUMBER, FORD & STOKE PRIOR GROUP PARISH COUNCIL

NOTE ON NON-COMPLIANCE RECORDED BY INTERNAL AUDITOR FOR 2024-25

The auditor has recorded that the Notice of Completion of Audit and associated report (2023-24) by the External Auditor were not published on the Council's website. (Item 4 of Annual Governance Statement 2024-25). This was in fact done but the new Council website requires two "save" commands to publish a document. It seems likely that on this occasion only the first save command was entered (as in the previous site) so the documents were never published by the site.

The corrective action is to now routinely check the site on a separate device to ensure publication is successful.
